

## **Notes Inc. Garners Eight IAPHC International Gallery of Excellence Awards**

**Syracuse, New York, June 16, 2008** — Notes Inc. has earned four Gold, three Silver and one Bronze Award for Superb Craftsmanship from the 2007 IAPHC International Gallery of Excellence. Four of Notes Inc.'s new products – Stik-Withit® Translucent Notes, Stik-Withit® On-Deck™ Wood Veneer, Stik-Withit® Thins® Magic Notepads and Stik-Withit® Metal Notes® – were among the company's winning entries.

“Our preeminent printing technologies are enabling us to introduce some *really* different, unique products to our clients each year,” said General Manager Pete Langdon. “Our goal is to continually distinguish ourselves as a market leader with high-quality, eye-catching notepads that help companies get their brands noticed in a crowded marketplace. It's great to get recognition for these products from the IAPHC.”

The IAPHC, the Graphic Professionals Resource Network, is an international organization dedicated to the development, promotion and success of printing and graphic arts products.
