FROM *THE ASI SHOW! DALLAS***

Syracuse, New York — Thins® Stik-Withit® notepads, classic sticky pads with four colorful, edge-printed sides – available ONLY from Notes Inc. -- were recently selected “Easiest to Sell” by *The ASI Show! Dallas’ Advantages* New Product Showcase.

“Though we’re happy with the honor, we’re not surprised to have been chosen,” said Pete Langdon, Notes, Inc. Division Sales Manager. “Thins® notepads are priced where many of our competitors are offering their ordinary sticky pads, so it’s basically like getting four printed notepad sides for next to nothing.”
