# Great News For Distributors!

## Notes Inc. Opens Nevada Plant

With the 2009 opening of the **Notes West** manufacturing facility, your clients in the West will get their favorite Stik-Withit<sup>®</sup> and Note Cube<sup>®</sup> brand notepads faster and cheaper.

Shipping from the Nevada plant means cost-efficient freight charges and quicker delivery. (UPS Ground within 2 days to most locations.)

We're also extending customer service hours so you can get the information you need when you need it.
